

Looking for a Category Manager, who has a passion to join a journey to step change a great business.

As a Category Manager, reporting to the Group GM Marketing you will be joining a team of category managers who support 7 divisions across Australia and New Zealand for Legend Corporation www.legendcoprate.com.

With industry experience, you will have the ability to work collaboratively to create results in your portfolio. This is a hands-on roll focused on delivering in a timely manner, category range reviews and new products with aggressive revenue and margin expectations. We are looking for new and innovative approaches to category strategies to achieve our goals. So, your creativity and commitment to detailed execution will deliver our division's product programs. You will be working very closely with all departments and divisions.

Located in modern facilities in North West Sydney with onsite parking, we offer a dynamic working environment, internet café and free gym membership.

To be the successful candidate you need:

- Industrial category experience
- Knowledge and understanding Off Grid and Hybrid Markets
- Technical understanding of an Off Grid and Hybrid designs/installs
- Current vendor relationships
- Supper sales staff

If you are ready for a challenge have a passion to enjoy the journey, self-motivated, success and results orientated with proven experience in managing products portfolios, please apply.

Bachelor's degree in Business, creative and innovative thinker? If this sounds like you, someone who is ready for a challenge and to test category ideas to help us step change Legend Corporation. We would love to talk to you.
